

cash for causes™

the simple solution to community fundraising

Announcing. . . a new, **EASY** fundraiser!

Ca\$h for Causes is a gift card program offered by Stop & Shop which allows TBI to earn 5% of each purchase!

Simply put: TBI earns \$5 for every \$100 Gift Card you purchase.

- ❶ Purchase a \$100  StopsShop gift card from TBI for \$100;
- ❷ Buy your groceries and pay with the gift card;
- ❸ Stop & Shop gives TBI \$5

It's as easy as ❶❷❸ and that 5% is sure to add up fast!

If 100 TBI families purchase \$200 in gift cards per month, TBI would earn \$12,000 in one year! WOW.

Please consider buying Stop & Shop gift cards ASAP. . . Grab your check book and come on down (we have both \$50 and \$100 denominations, and cards are available in the main office and via Board members.)

Everyone can participate and have an impact *without spending extra* . . . almost too good to be true!
